

13th September – 23rd September 2010
Feed Milling Technology

First official SFT-Short course held at Glenburn Lodge in Muldersdrift, South Africa.

In close cooperation with the South African Animal Feed Manufacturers Association “AFMA”, not less than 32 participants from 12 South African Feed Manufacturers enrolled for the course. A welcome change to the theoretical lessons offered the visit of the recently inaugurated Training Center at the BÜHLER Company in Honeydew, Johannesburg.
