

11th April - 15th April 2011

Training at the Veronesi plants in San Pietro in Gu and Ospedaletto, Italy

Participants:

Under the lead of Mr. Pandolfo, General Manager of the Veronesi Group, (back row on the right), 16 Professionals, mainly from the younger generation, participated at the hands-on training in size reduction, hygienizing and compacting technology. The practical trials have been conducted in the San Pietro in Gu and Ospedaletto plant.
