

9th March – 12th March 2015
Feed Technology Seminar in Medellin, Colombia

Summary:

Not less than 44 Executives and Professionals from 19 different Animal Feed Manufacturers and Additive Suppliers, mainly from Colombia, but also from Argentina, Chile, Ecuador and Uruguay, signed in for the 4 days seminar in Feed Milling Technology. The event has been organized in close cooperation with Buhler SA, South America, represented by Johann Espejo and Alexandra Alfonso of Buhler Bogota. Not to be overlooked and a kind of a tradition in South America, the relatively large proportion of female participants, all engaged in the Feed Milling Business.
